– hand-throws ceramic bottles

ANJA BERG

APPRENTICE · PART-TIME

– spring-autumn pigment prep
– wax seals + packaging
– Saturday workshop support

AUDIENCE · *3 PERSONAS*

SOFIE · 28 · ILLUSTRATOR

Vesterbro · Copenhagen

"I want an ink that's mine — one no one else carries."

visits monthly · buys custom blend + full set yearly

HENRIK · 42 · ARCHITECT

Frederiksberg · Copenhagen

"Sketching site notes by hand slows my thinking down."

quarterly · buys 2 bottles + notebook · workshop attendee

NORA · 35 · POETRY EDITOR

Aarhus · visitor

"I send handwritten letters. Each ink is a season in conversation."

seasonal subscriber · all 4 house inks + custom blend

slow · seasonal · process-driven

Weekly reels of pigment grinding, wax sealing, quiet interior shots. Zero influencer cross-promo. Captions in thin serif, always Danish + English.

tactile · collectible

Quarterly printed zine mailed to subscribers. Hand-numbered, risograph-printed, 16 pages. Includes one real ink swatch sample.

intimate · hands-on

Monthly 3-hour ‘MAKE YOUR OWN INK’ workshop, 6 seats, €180. Attendees leave with a 50ml bottle of their own custom blend.

curated · craft-only

Pop-up placements at 4 like-minded shops: Stilleben, Hay Copenhagen, Illums Bolighus, Designmuseum shop. Seasonal drops only.

NICHE AUDIENCE · LIMITED SCALE

→

Complement retail with monthly workshops (€180 × 6 seats = €1,080/mo), direct-mail subscription (30 subscribers × €45/quarter), and 4 curated retail partners. Diversified income without diluting brand.

PIGMENT SUPPLY FRAGILITY · SEASONAL

→

6-month pigment inventory buffer, two suppliers per mineral (one in Germany, one in Kremer Pigmente Aichstetten), annual on-site sourcing trip to mineral fairs in Hanover and Tucson.

COPENHAGEN RETAIL FOOTFALL · WEATHER-DEPENDENT

→

E-commerce in parallel (ships to all of EU, €12 flat rate), bespoke online custom-blend tool, quarterly international ink-of-the-season drops with pre-orders driving 40% of revenue.

WHY NOW

“The world has gone digital. Fluent, frictionless, weightless. And in that frictionlessness we’ve lost the grain of our own thoughts. We return to ink because thinking with a hand requires patience — and patience is the rarest commodity of this century. Each seasonal bottle of BLÆK 4 is a quiet argument for slowness, for seasons, for ideas that deserve ve the time they take.”

— Maja Lindqvist, founder

BRANDBOOK — 64 pages · logos, colors, voice, typography
