RISKS

RISK 01 · SINGLE-PRACTIITIOR DEPENDENCY

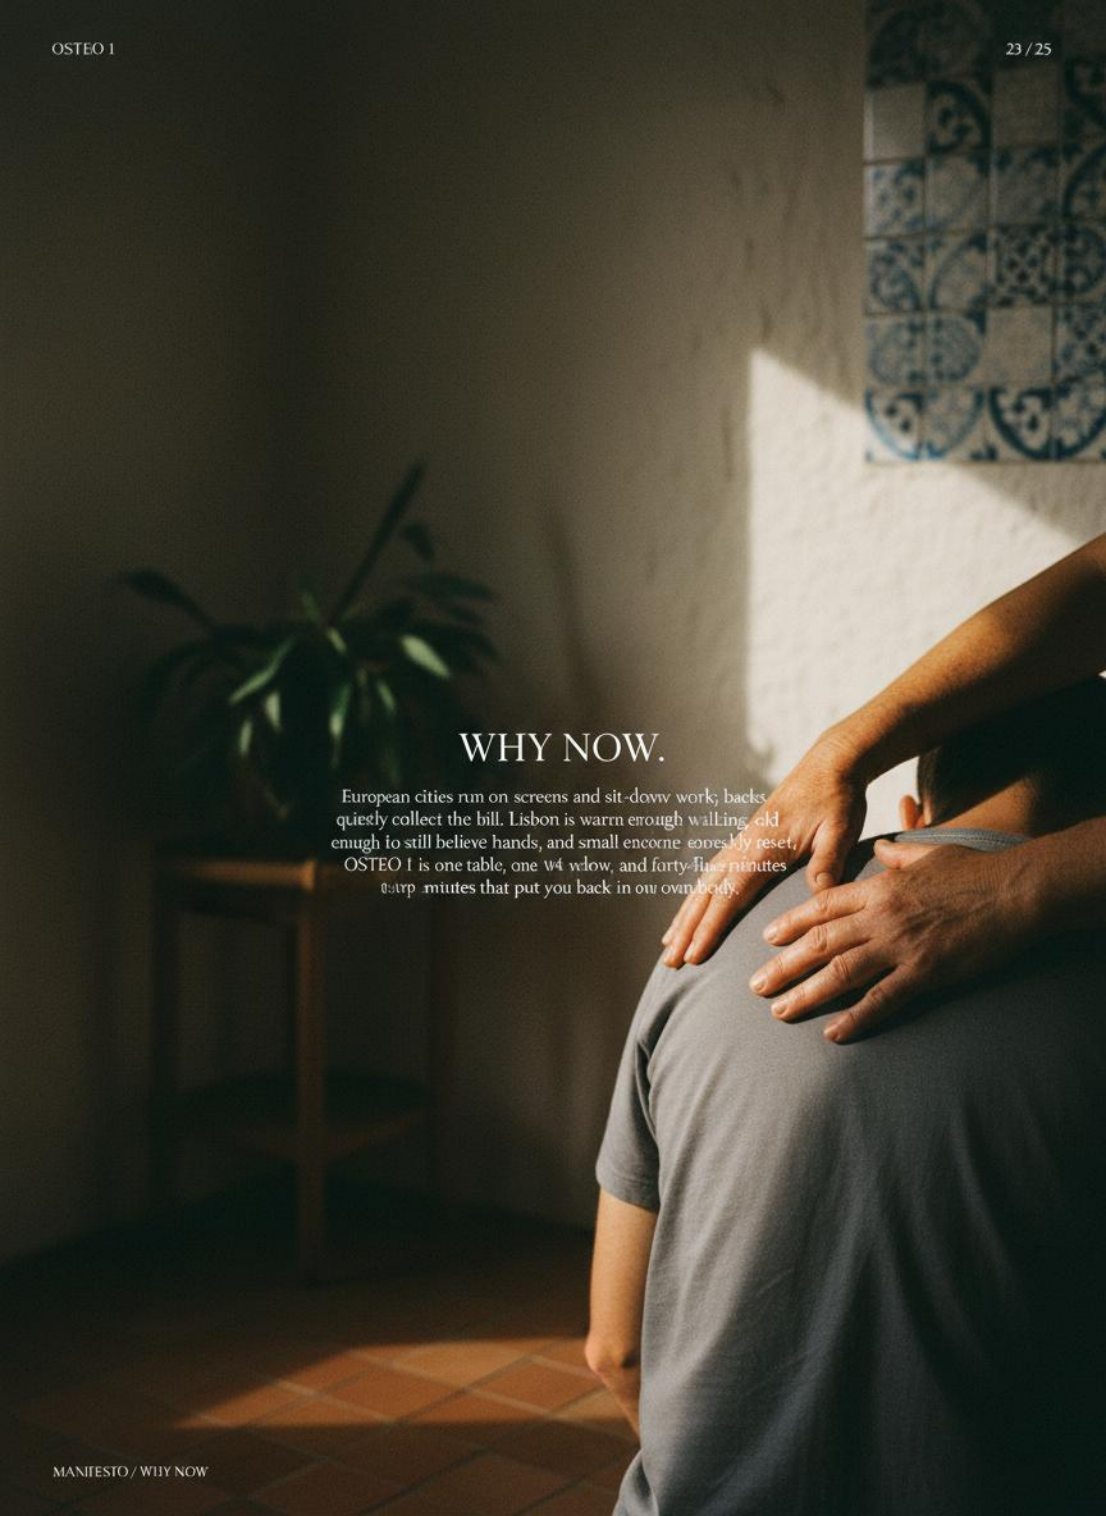
a trusted covering osteoptaıth contracted as locum for holiday and sick weeks.

RISK 02 · INSURANCE AND LIABILITY

mandatory professional indemity, annual renewal, signed informed-consent on every file.

RISK 03 · SEASONAL DEMAND

summer tourists replace winter locals; hotel partnerships bring back-pain travellers.



WHY NOW.

European cities run on screens and sit-down work; backs quietly collect the bill. Lisbon is warm enough walking, old enough to still believe hands, and small enough to reset. OSTEO 1 is one table, one window, and forty-five minutes that put you back in your own body.
