RISKS

WINTER ENERGY COSTS

Helsinki winters are long. Heating a 40m² loft eats margin.

MITIGATION: Pre-bought firewood-style contract · heat recovery window film · daylight work hours.

BLADE INJURIES

Hand tools mean cuts. A bad one closes the studio for a day.

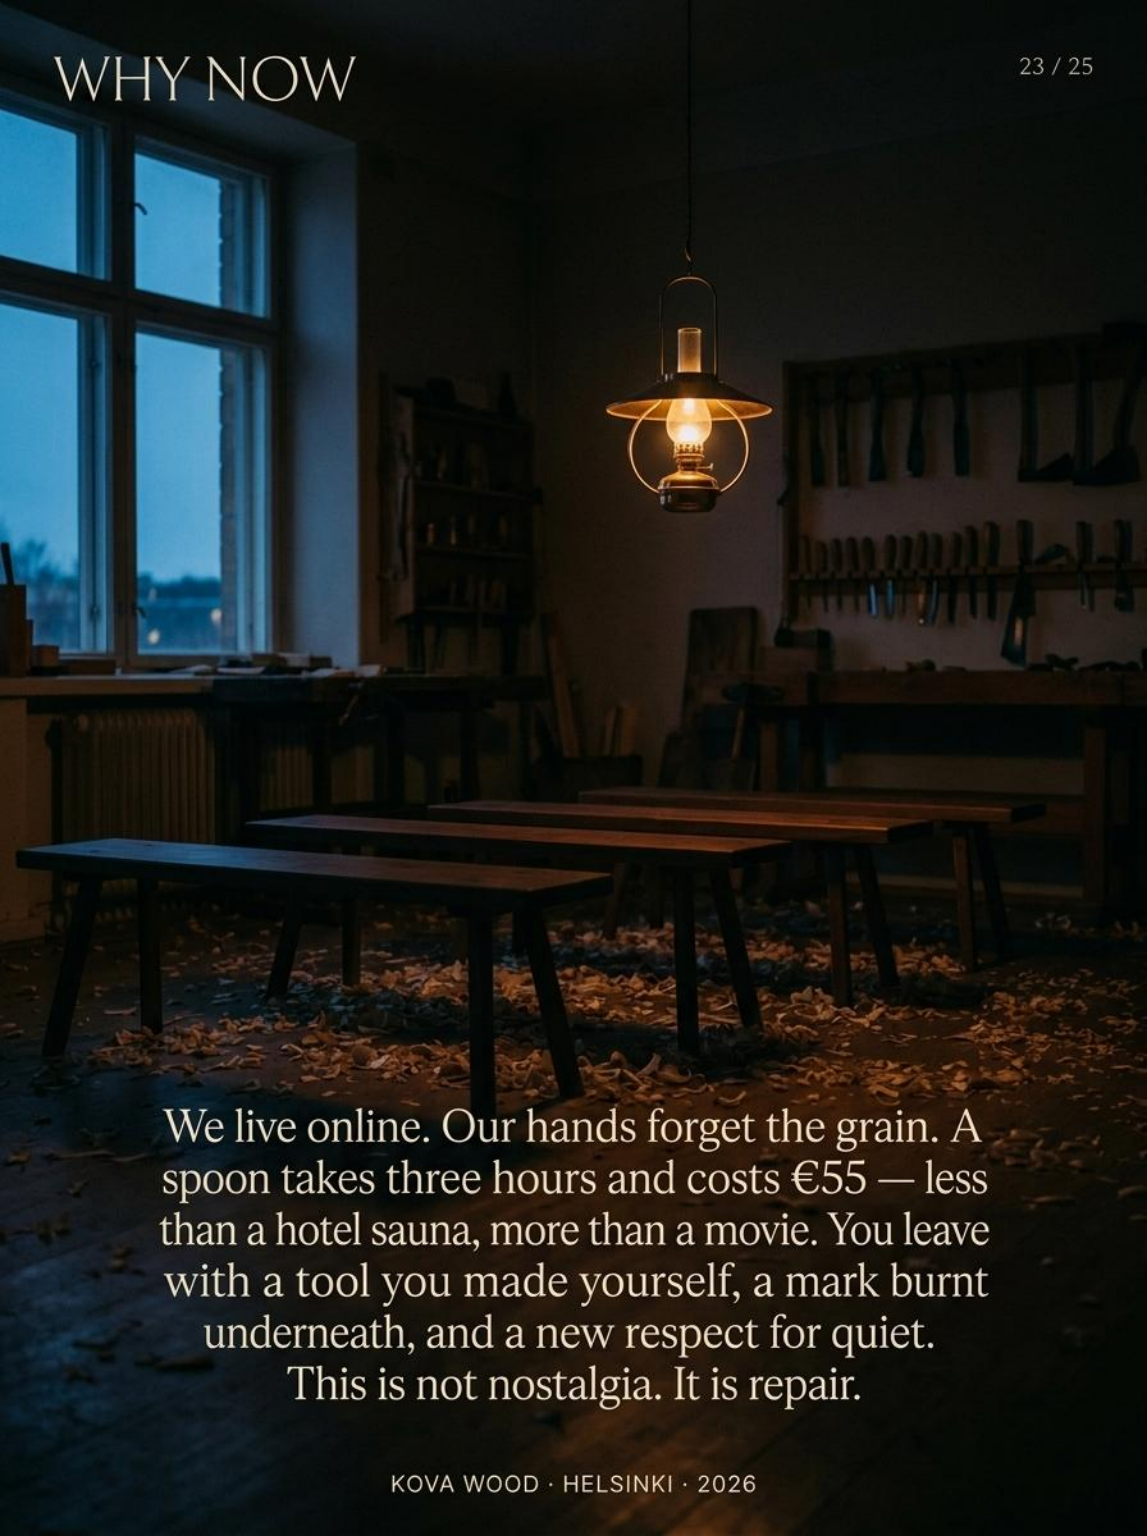
MITIGATION: Kevlar carving gloves · weekly sharpening · first-aid at every bench · liability insurance €600/yr.

SEASONALITY

Summer tourism peaks, winter classes empty.

MITIGATION: Commissions in winter · Etsy in summer · hotel gifting year-round.

WHY NOW



We live online. Our hands forget the grain. A spoon takes three hours and costs €55 — less than a hotel sauna, more than a movie. You leave with a tool you made yourself, a mark burnt underneath, and a new respect for quiet.
This is not nostalgia. It is repair.
