WHO COMES

HALINA, 72 · Poznań

My mother never wrote down her recipe. Babcia's PR3 tastes exactly like hers — I come twice a week just to be sure I didn't imagine it.

PIOTR, 38 · Warsaw

I take the 06:40 PKP, arrive 08:50, two rogali, read the paper by the oven, 10:15 back to the station.

YUKI, 29 · Osaka

I watch the five-fold every morning. Six weeks in and I still can't do it — that's the whole point.

HOW THEY FIND US

INSTAGRAM

only the five-fold in slow motion and the oven-glow · never price lists, never Babcia's face.

GAZETA WYBORCZA POZNAŃ

one long Saint Martin's Day feature a year, earned not paid.

MORNING QUEUE

the line down Stary Rynek side-street at 07:45 is the only billboard we need.

PGI REGISTER

Kapituła Poznańskiego Tradycyjnego Rogala Świętomarcińskiego officially lists us · that's the real badge.

WHAT COULD GO WRONG

PGI APPROVAL	*Kapituła Poznańska certification can take 6-12 months · file in W1, sell as "rogale in PGI style" until approved · no false claim on packaging.*
BABCIA IS THE ENTIRE RECIPE	*one person holds the know-how · Grandson apprenticing at 5 AM daily · PR1-PR5 recipes documented in leather book duplicate stored off-site.*
SEASONAL COLLAPSE	*Saint Martin's Day (Nov 11) is the peak, rest of year is slower · introduce rotating PR5 weekly, newsletter, Christmas-Easter mini-batches to hold regulars.*

On 11 November 1891
Poznań baker Józef Melzer
stole the recipe from his own grandmother
and gave it to the whole city.

Babcia does the same thing
every morning — but only for sixty people.
