PRESS 28

FRIEDRICHSHAIN · BERLIN

28 m² · 8 weeks · screen-print atelier

Old hands, loud colour.

€49 concept · €149 dossier

Twenty-eight square metres for people who want a T-shirt printed the slow way — one pull at a time.

No giant minimums. No digital shortcuts. Just frame, ink, squeegee, hands.

28 M² · 8 WEEKS BUILD · €49 CONCEPT · €149 DOSSIER

Screen-printing is noise, stain, repetition, physical commitment. PRESS 28 answers with one master, one table, one press — and a loud lime stripe of ink that no algorithm can pull.

THE MANIFESTO

We believe the slow pull is the loud pull.
We believe minimums keep the craft honest.
We believe a stain on the apron is a record
of a job well done — not a mistake.
We believe twenty-eight square metres
is enough to change the way a city wears its story.
We believe in one master, one squeegee,
one [pull] at a time.
