AFTER

Three hours later, a quiet new object in hand.

WHO IT'S FOR

FREJA · 29
UX designer

"My hands spend all day on a trackpad. I came to remember they can do other things."

JONAS · 48
teacher

"I want to make one good wooden spoon this winter. That's all."

SAGA · 34
lawyer

"No screen, no deadline, no small talk. no small talk. Just leather and thread."

HOW THEY FIND YOU

“We don’t advertise. We publish the slowest possible feed — one photo per class, never a reel.”

WHAT CAN GO WRONG

MASTER ARTISAN AVAILABILITY

Only a handful of senior bookbinders and potters in Copenhagen. A single cancellation folds a week.

mitigation: two rotating artisans under retainer.

WINTER ENROLMENT DIP

Danish January and February halve walk-ins. Deep-winter memberships must pre-fund March.

mitigation: bundled winter membership + hygge evenings.

KILN NOISE COMPLAINTS

Small electric kiln in a residential street. Neighbours notice ventilation and fan noise.

mitigation: acoustic baffling + firing only after 10am.
