### Oslo weather · rain for a week

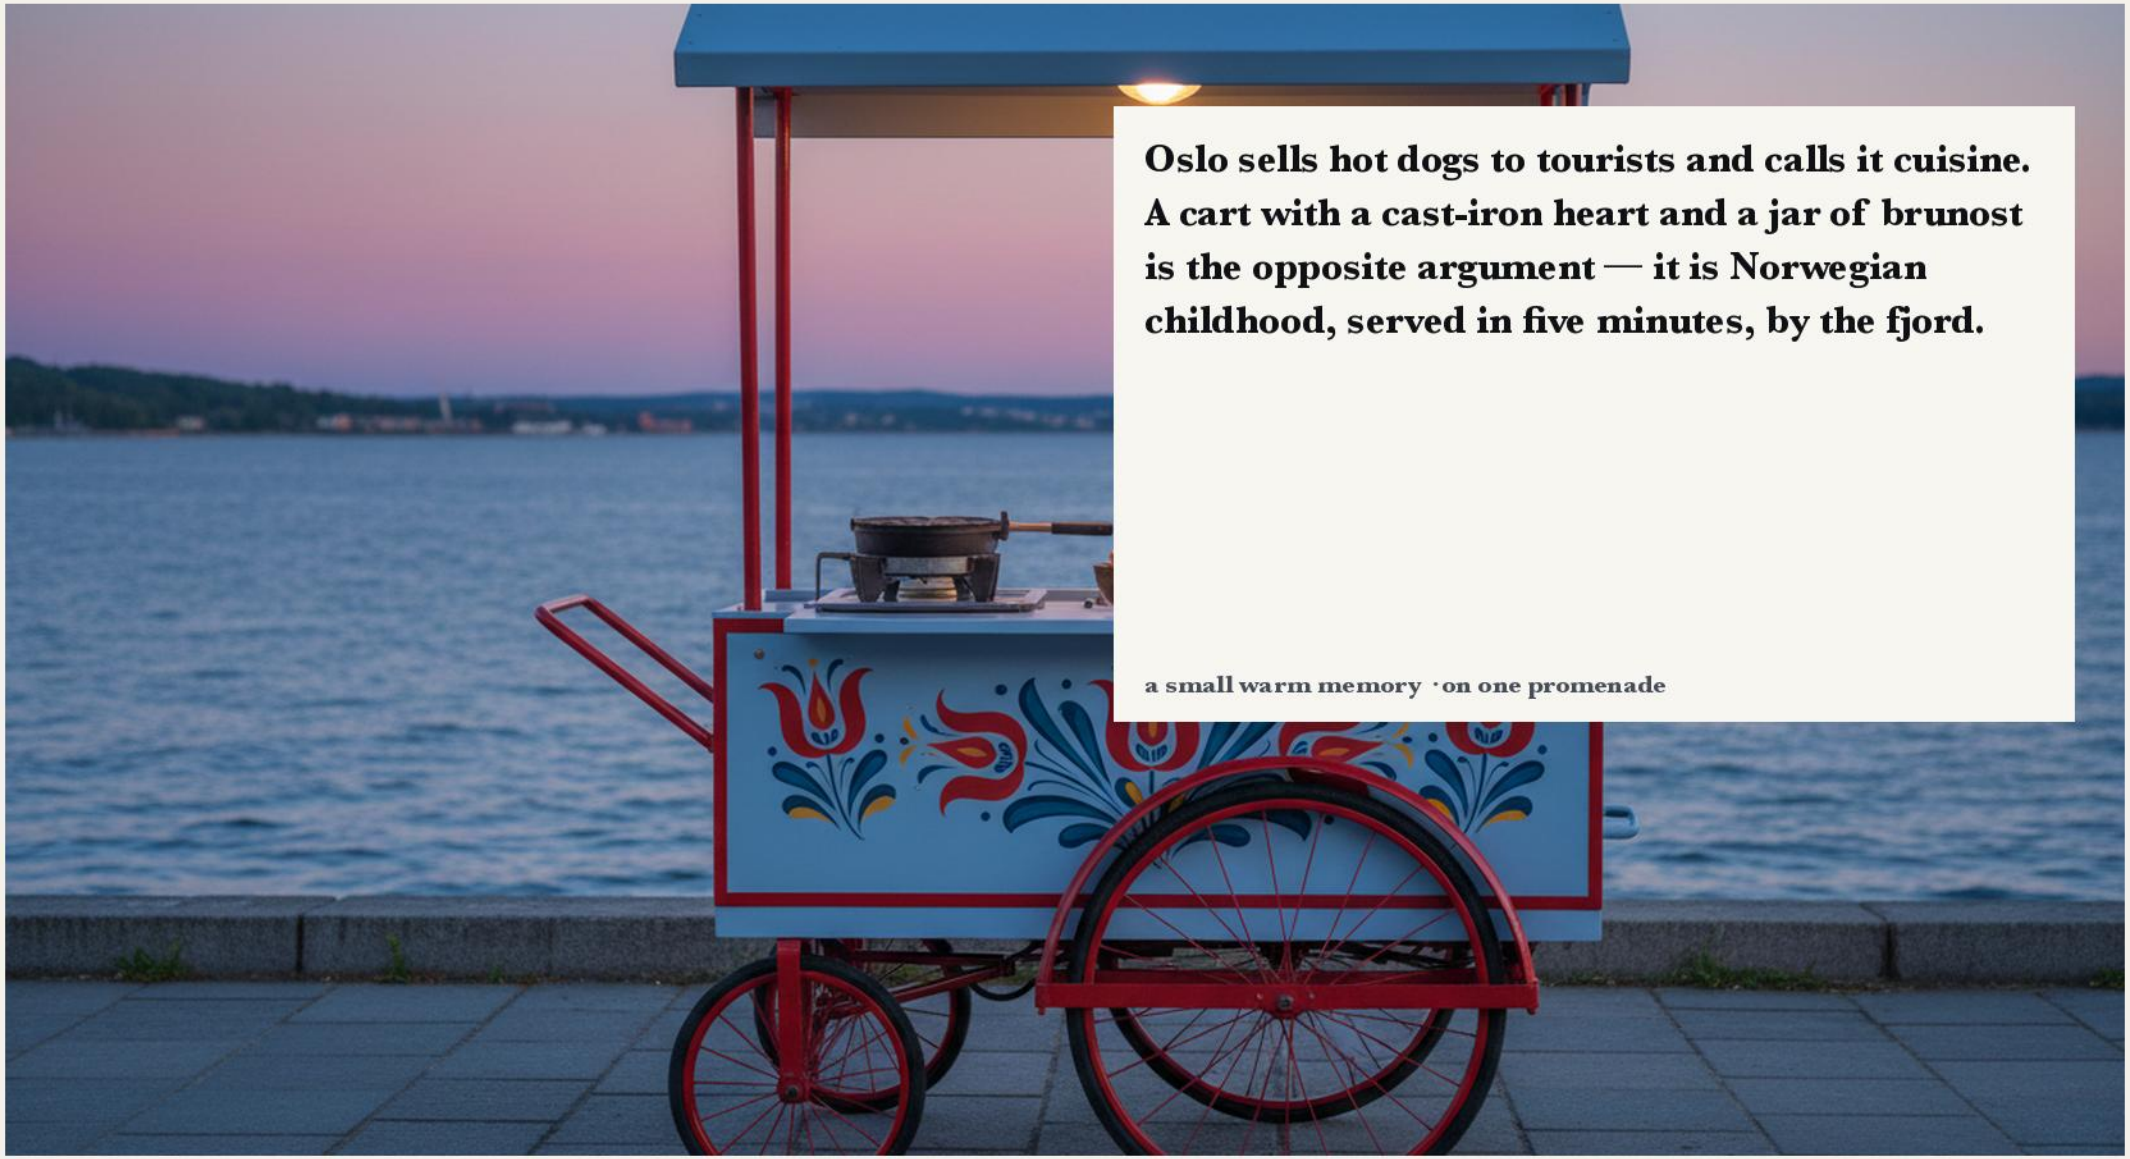
waterproof cart cover + awning, switch to 'takeaway in paper sleeve' promo, run a 2-for-3 voucher through the monthly letter.

### brunost supplier price rises

12-month contract with TINE, 2-week freezer buffer, seasonal promo on cloudberry-only waffles to balance margin.

### winter shutdown · Dec to Feb

move to a covered market in Mathallen for winter, reduce to 3-day operations, launch 'winter gift boxes' for Christmas.



**Oslo sells hot dogs to tourists and calls it cuisine. A cart with a cast-iron heart and a jar of brunost is the opposite argument — it is Norwegian childhood, served in five minutes, by the fjord.**
