mixes clay and glazes, loads the kiln, teaches the Saturday beginners.

Hania K., 48

Brand & Retail Advisor · monthly

reviews pricing, seasonal collections, and wholesale inquiries.

Ewa, 34 · Praga

first-time student

takes the 4-week wheel intro after her therapist suggested one tactile hobby a week.

Mateusz, 41 · Mokotów

comes back every Saturday to throw six mugs for his café; quietly loyal, exacting.

Yuna, 28 · tourist

photographs the seal press for her feed, stays for tea and buys one bowl.

Instagram · process

One short film a week: the wheel, the seal, the kiln. No reels. No promo grids. Lowercase captions.

Neighborhood flyers

Simple cream cards at cafes, yoga studios, design shops within a 1 km radius of Praga.

Saturday open house

Every first Saturday, the studio opens free to passersby. Tea, seal stamping, no purchase expected.

Monthly letter

One story per month, one glaze recipe, no emojis, unsubscribe in one click.

the kiln trips the breaker for a week

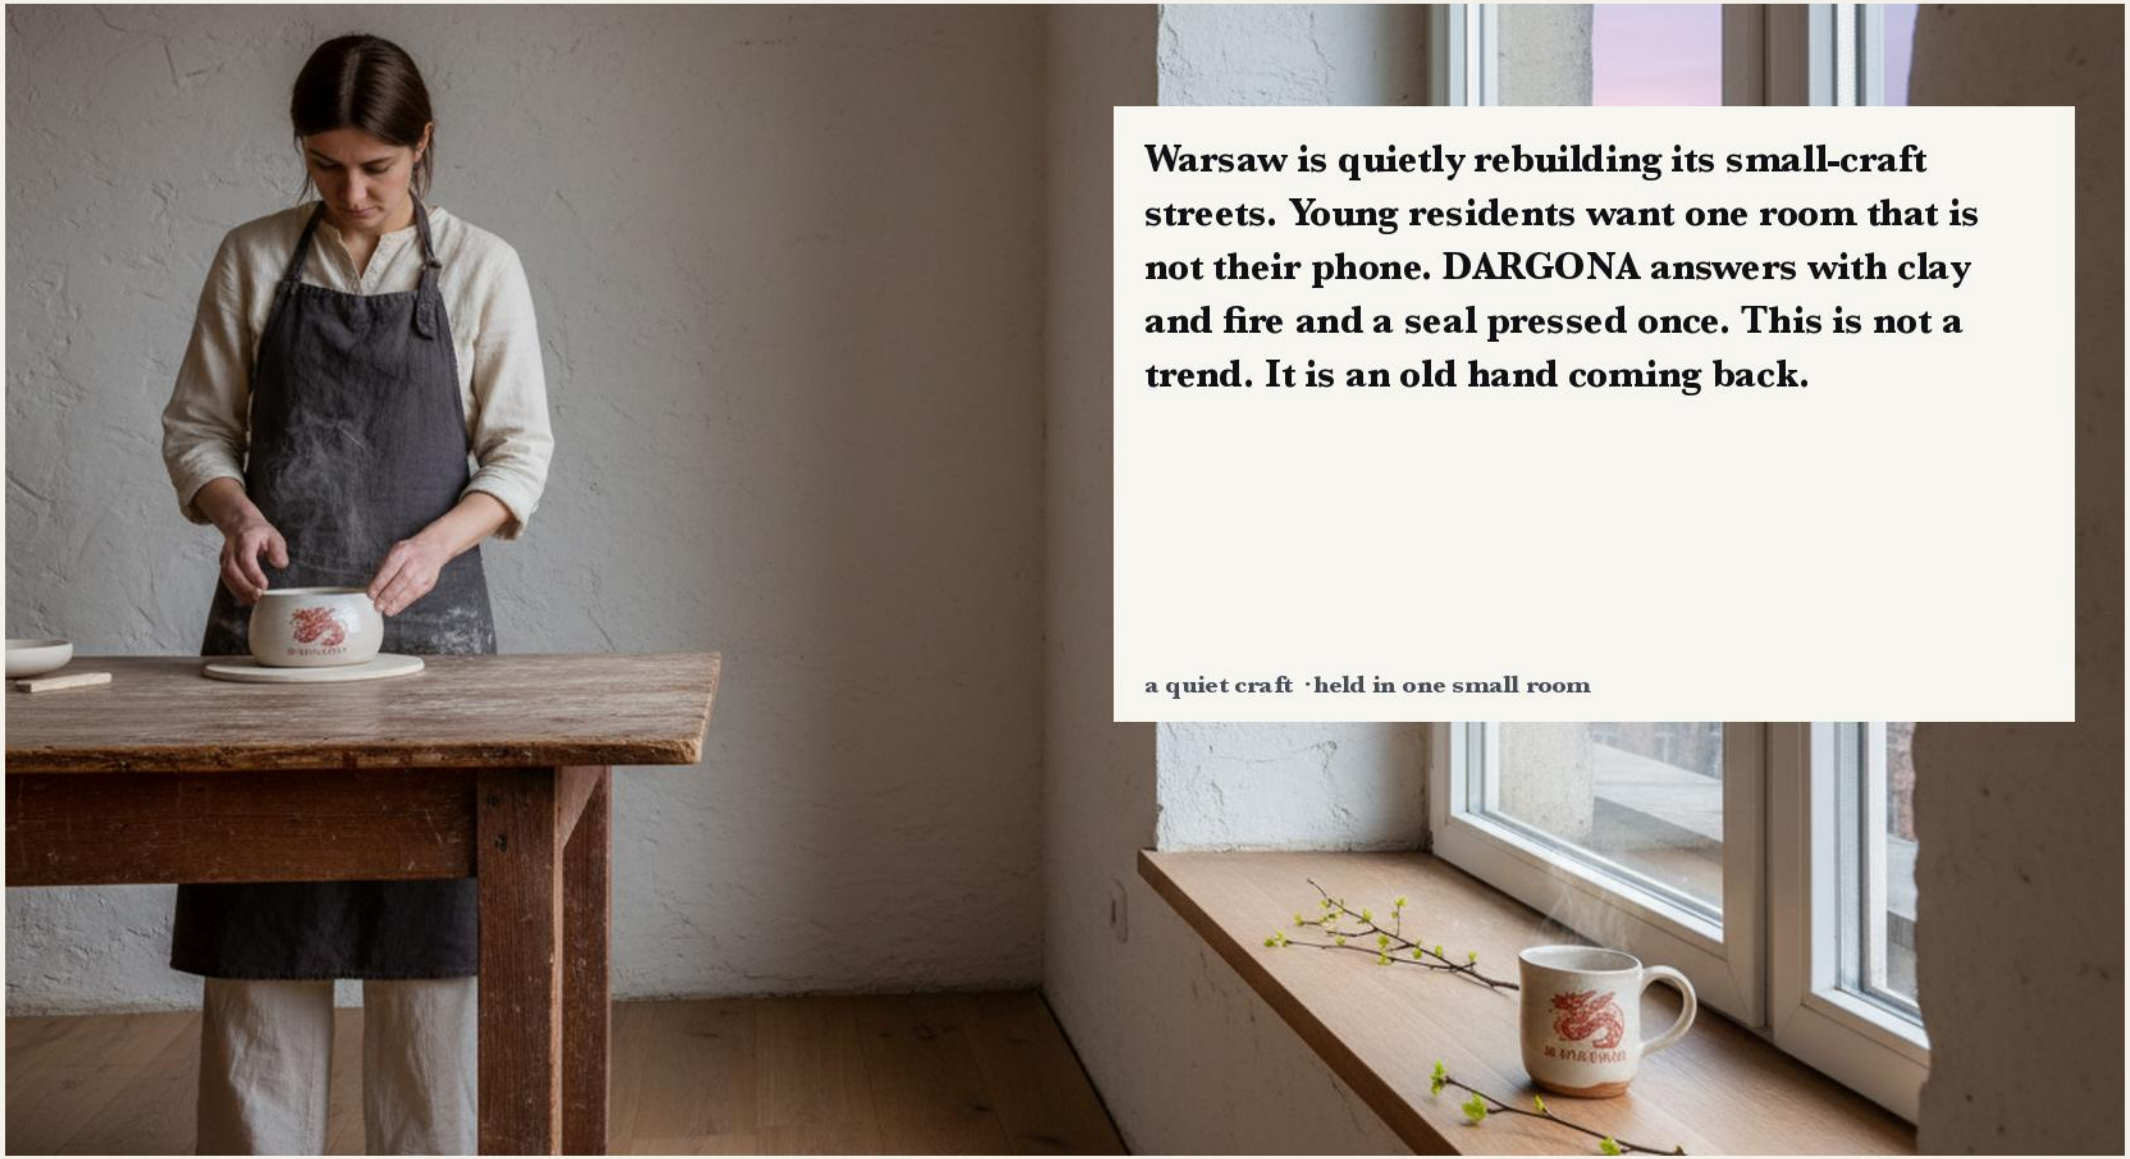
we keep a service contract, a share-the-fire arrangement with two nearby studios, and a buffer of already-fired ware. Clients get vouchers, not excuses.

winter slowdown · Dec to Feb

we design a winter membership with corporate gift boxes and a private-lesson block; one online glaze workshop per month keeps the room warm.

copy-cat opens one street over

the DARGONA seal is the moat. Register the mark, keep every piece stamped and numbered, maintain the public kiln log so every customer sees the provenance.



Warsaw is quietly rebuilding its small-craft streets. Young residents want one room that is not their phone. DARGONA answers with clay and fire and a seal pressed once. This is not a trend. It is an old hand coming back.
