a single negative review about service

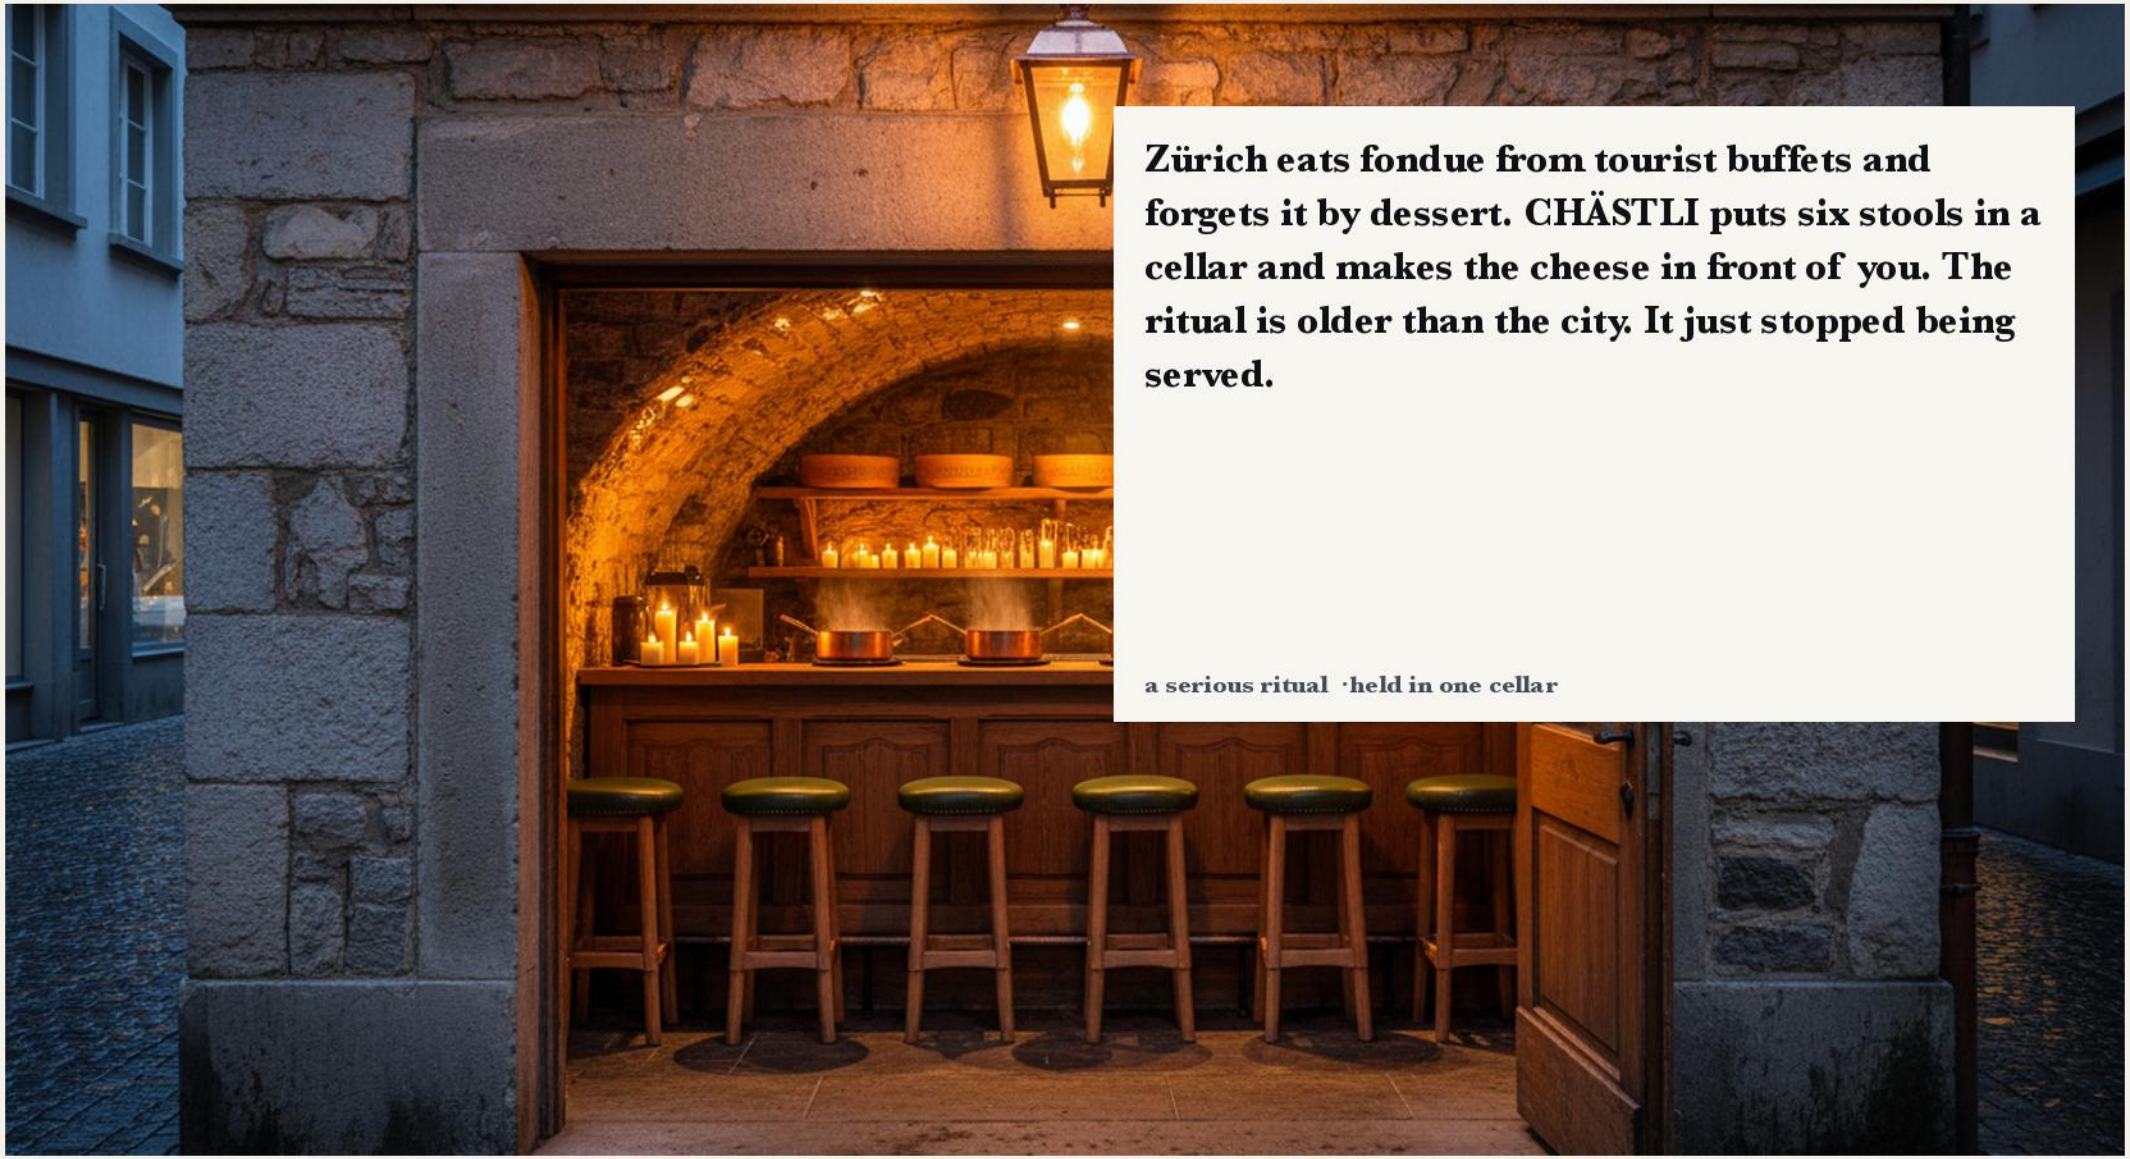
on-shift host training; invite the reviewer back within 48 hours at our cost; track the follow-up publicly in our monthly letter.

cheese supplier shortage in a hard winter

contract three farms across Fribourg and Gruyère 12 months ahead, buffer 30 kg of aged wheels, and offer raclette-only evenings.

winter-only seasonality

summer special: cold-plate ritual (cheese board + wine, no pot), private buyouts for bachelorette and corporate, gift-voucher sales at Christmas.



Zürich eats fondue from tourist buffets and forgets it by dessert. CHÄSTLI puts six stools in a cellar and makes the cheese in front of you. The ritual is older than the city. It just stopped being served.
